

Condo Owner Insurance Policy Wordings

These Policy Wordings describe the home insurance that you have purchased. They include various terms, conditions, and exclusions that limit the insurance this Policy provides. **Please read the nine sections of this document carefully and contact us if you have any questions.**

1 Insuring Agreement

In exchange for the premium paid, this Policy provides the insurance described in these Policy Wordings, subject to the limits and deductibles specified on the Policy Declaration.

All limits, deductibles, and premiums expressed in this Policy are in Canadian currency.

Only Named Insureds may make changes to this Policy, file a claim under this Policy, or take legal action against the Insurer. This Policy cannot be assigned to others without the Insurer's written consent.

8 Policy Deductibles

This section describes how deductibles apply to loss or damage insured under this Policy. A deductible is the amount of money you have to pay toward a claim before your policy responds to pay you. Each Occurrence is subject to one of the deductibles described below. Payment for loss or damage insured under your Policy is subject to the applicable limits specified on your Policy Declaration, and such payment will be reduced by the applicable deductible amount specified on your Policy Declaration.

8.1 Standard Deductible

For loss or damage insured under this Policy due to loss types not described elsewhere in this Section, the Standard Deductible as specified on your Policy Declaration applies per Occurrence.

8.2 Earthquake Deductible

For loss or damage directly or indirectly resulting from Earthquake insured under this Policy, the Earthquake Deductible as specified on your Policy Declaration applies per Occurrence.

8.3 Glass Deductible

For loss or damage to glass that forms part of the Building or Detached Structures on your Premises insured under this Policy, the Glass Deductible as specified on your Policy Declaration applies per Occurrence.

9 Additional Conditions

This section describes the General Conditions, Statutory Conditions (required under the Insurance Act of the province of your insured location), and the Standard Mortgage Clause (if applicable) that apply to this Policy.

9.1 Policy Conditions

The following conditions apply to all sections of this Policy.

9.1.1 When coverage applies.

This Policy applies to Occurrences that take place while this Policy is in force.

9.1.2 Duties after loss.

In addition to submitting a proof of loss, each Insured may be required to:

- (a) take all reasonable actions to prevent further loss, damage or liability;
- (b) submit to an examination under oath; or
- (c) provide all documents in your possession or control that relate to the application for insurance and proof of loss, and allow copies of these documents to be made.

9.1.3 Loss settlement.

Each Insured is a separate Insured, but this does not increase the limits of insurance under this Policy for any one Occurrence, even if multiple Insureds are affected.

9.1.4 Subrogation.

- (a) Upon making payment or assuming liability under this Policy, the Insurer will be entitled to assume all your rights of recovery against others and may bring action in your name to enforce these rights.
- (b) The amount recovered, minus the costs of recovery, will be shared in proportion to the loss that you and the Insurer have borne.

9.1.5 Policy administration.

- (a) Policy changes.
 - (1) The Insurer reserves the right to make changes to the terms of your insurance coverage by advising you thirty (30) days in advance. Changes may involve, but are not limited to, the coverages, limits, deductibles, rates, terms, exclusions or conditions under this Policy. Your monthly billing will automatically reflect premium adjustments once the changes take effect, and the Insurer will issue a new Policy, which replaces this Policy. As long as you continue to pay the premiums when due, it is deemed that you have accepted these changes.
 - (2) You may request changes to this Policy at any time. Changes are subject to the Insurer's prior approval.
- (b) Policy term.

This Policy is continuous until cancelled or replaced under Section 9.1.5(a) or Section 9.1.5(c).
- (c) Policy cancellation.
 - (1) You may request cancellation of this Policy at any time. The first Named Insured on the Policy Declaration must authorize cancellation. The Insurer may require this authorization in writing.

The Insurer will provide a refund for the excess premium actually paid over the pro-rata premium for the expired time. This refund is subject to a \$50 minimum retained premium in the first policy year. No refund will be issued for an amount less than \$5.00. Refunds may be issued by cheque, e-transfer, mail, or to the original payment method, at the sole discretion of the Insurer.
 - (2) The Insurer reserves the right to cancel this Policy at any time.
 - (3) If the Insurer cancels this Policy, Statutory Condition 9.3.5 applies.

9.1.6 Other insurance.

If you have other insurance that applies to an insured loss or would have applied if this Policy did not exist, then this Policy will be considered excess insurance. The Insurer will make no payment for any insured loss under this Policy until the other insurance is used up.

When both this Policy and any other insurance provide coverage on the same basis, this Policy will only pay its share of an insured loss. Its share is the portion that this Policy's limit of insurance bears to the total limits, or amounts, of all insurance.

9.1.7 Notice to authorities.

You must notify the police or appropriate authorities immediately when the loss is due to, or is suspected to be due to, malicious acts, burglary, robbery or theft.

9.2 Liability Conditions

The following conditions apply to all Liability Coverages (as described in Section 5) of this Policy.

9.2.1 Duties after a loss.

When an Occurrence takes place, you must promptly provide notice (in writing if requested), detailing:

- (a) your name and policy number;
- (b) the time, place and circumstances of the Occurrence; and
- (c) the names and addresses of witnesses and potential claimants.

9.2.2 Co-operation.

You must:

- (a) help obtain witnesses, information and evidence about the Occurrence and cooperate in any legal actions; and
- (b) immediately provide everything received in writing concerning the loss, including legal documents, to the Insurer.

9.2.3 Loss settlement.

- (a) The Insurer reserves the right to select legal counsel, investigate, negotiate and settle any claims or lawsuits as it may deem appropriate.
- (b) The Insurer's obligation ends once payment of judgments or settlements up to the limit specified on the Policy Declaration have been made.

9.2.4 Unauthorized settlements.

You will not, except at your cost, voluntarily make any payment, assume any obligations or incur expenses, other than first aid expenses necessary at the time of Occurrence.

9.2.5 Action against the Insurer.

- (a) You cannot commence a legal action against the Insurer unless:
 - (1) you are in full compliance with all of the terms of this Policy;
 - (2) the amount of your obligation to pay has been determined either by judgment after trial, or by written agreement of you, the injured party and the Insurer; and
 - (3) you have first initiated and participated fully in a mediation conference with a mutually agreed upon mediator, under the mediation rules of the General Insurance OmbudService (or such other mediation rules as agreed upon).
- (b) You must commence any action or proceeding against the Insurer within one (1) year of the date of such judgment or written agreement and not afterwards. If the mediation conference required under sub clause (a) has been formally initiated and scheduled but not concluded at the end of this one (1) year period, then you may not commence action against the Insurer until thirty (30) days after the conclusion of the mediation conference. The mediation conference will be deemed concluded when no further mediation conferences are formally scheduled.

9.3 Statutory Conditions

9.3.1 Misrepresentation.

If a person applying for insurance falsely describes the property to the prejudice of the Insurer, or misrepresents or fraudulently omits to communicate any circumstance that is material to be made known to the Insurer in order to enable it to judge the risk to be undertaken, the contract is void as to any property in relation to which the misrepresentation or omission is material.

9.3.2 Property of others.

The Insurer is not liable for loss or damage to property owned by a person other than the Insured, unless:

- (a) otherwise specifically stated in the contract; or,
- (b) the interest of the Insured therein is stated in the contract.

9.3.3 Change of interest.

The Insurer is liable for loss or damage occurring after an authorized assignment under the *Bankruptcy and Insolvency Act (Canada)* or change of title by succession, by operation of law, or by death.

9.3.4 Material change.

- (a) The Insured must promptly give notice in writing to the Insurer or its agent of a change that is
 - (1) material to the risk; and
 - (2) within the control and knowledge of the Insured.
- (b) If an Insurer or its Agent is not promptly notified of a change under subparagraph (a) of this condition, the contract is void as to the part affected by the change.
- (c) If an Insurer or its Agent is notified of a change under subparagraph (a) of this condition, the Insurer may:
 - (1) terminate the contract in accordance with Statutory Condition 9.3.5; or
 - (2) notify the Insured in writing that, if the Insured desires the contract to continue in force, the Insured must, within fifteen (15) days after receipt of the notice, pay to the Insurer an additional premium specified in the notice.
- (d) If the Insured fails to pay an additional premium when required to do so under subparagraph (c)(2) of this condition, the contract is terminated at that time and Statutory Condition 9.3.59.3.5(b) applies in respect of the unearned portion of the premium.

9.3.5 Termination of insurance.

- (a) This contract may be terminated:
 - (1) by the Insurer giving to the Insured fifteen (15) days' notice of termination by registered mail or five (5) days' written notice of termination personally delivered; or
 - (2) by the Insured at any time on request.
- (b) If this contract is terminated by the Insurer:
 - (1) the Insurer must refund the excess of premium actually paid by the Insured over the proportionate premium for the expired time, but in no event is the proportionate premium for the expired time to be less than any minimum retained premium specified; and
 - (2) the refund must accompany the notice unless the premium is subject to adjustment or determination as to amount, in which case the refund must be made as soon as practicable.
- (c) If this contract is terminated by the Insured, the Insurer must refund as soon as practicable the excess premium actually paid by the Insured over the short rate premium for the expired time, but in no event must the short rate premium for the expired time be deemed to be less than any minimum retained premium specified.
- (d) The fifteen (15) days mentioned in subparagraph (a) (1) of this condition starts to run on the day the registered letter or notification of it is delivered to the Insured's postal address.

9.3.6 Requirements after loss.

- (a) On the happening of any loss of or damage to the insured property, the Insured must, if the loss or damage is covered by the contract, in addition to observing the requirements of Statutory Condition 9.3.9:
 - (1) immediately give notice in writing to the Insurer;
 - (2) deliver as soon as practicable to the Insurer a proof of loss in respect of the loss or damage to the insured property verified by statutory declaration:

- (i) giving a complete inventory of that property and showing in detail quantities and costs of that property and particulars of amount of loss claimed;
- (ii) stating when and how the loss occurred, and if caused by fire or explosion due to ignition, how the fire or explosion originated, so far as the Insured knows or believes;
- (iii) stating that the loss did not occur through any willful act or neglect or the procurement, means or connivance of the Insured;
- (iv) stating the amount of other insurances and the names of other insurers;
- (v) stating the interest of the Insured and of all others in the property with particulars of all liens, encumbrances and other charges upon the property;
- (vi) stating any changes in title, use, occupation, location, possession or exposures of the property since the contract was issued; and
- (vii) stating the place where the property insured was at the time of loss;
- (3) if required by the Insurer, give a complete inventory of undamaged property showing in detail quantities and costs of that property; and
- (4) if required by the Insurer and if practicable:
 - (i) produce books of account and inventory lists;
 - (ii) furnish invoices and other vouchers verified by statutory declaration; and
 - (iii) furnish a copy of the written portion of any other contract.
- (b) The evidence given, produced or furnished under sub-paragraphs (a) (3) and (4) of this condition must not be considered proofs of loss within the meaning of conditions 9.3.12 and 9.3.13.

9.3.7 Fraud.

Any fraud or willfully false statements in a statutory declaration in relation to the particulars required under Statutory Condition 9.3.6 invalidates the claim of the person who made the declaration.

9.3.8 Who may give notice and proof.

Notice of loss under Statutory Condition 9.3.6 (a) (1) may be given, and proof of loss under Statutory Condition 9.3.6 (a) (2) may be made:

- (a) by the agent of the Insured, if:
 - (1) the Insured is absent or unable to give notice or make the proof; and,
 - (2) the absence or inability is satisfactorily accounted for; or
- (b) by a person to whom any part of the insurance money is payable, if the Insured refuses to do so or in the circumstances described in clause (1) of this condition.

9.3.9 Salvage.

- (a) In the event of any loss or damage to insured property, the Insured must take all reasonable steps to prevent further loss or damage to that property and to prevent loss or damage to other property insured under the contract including, if necessary, removing the property to prevent loss or damage or further loss or damage to the property.
- (b) The Insurer must contribute on a prorated basis towards any reasonable and proper expenses in connection with steps taken by the Insured under subparagraph (a) of this condition.

9.3.10 Entry, control and abandonment.

After any loss or damage to insured property, the Insurer has:

- (a) an immediate right of access and entry by accredited representatives sufficient to enable them to survey and examine the property, and to make an estimate of the loss or damage; and
- (b) after the Insured has secured the property, a further right of access and entry by accredited representatives sufficient to enable them to appraise or estimate the loss or damage, but:
 - (1) without the Insured's consent, the Insurer is not entitled to the control or possession of the insured property; and

- (2) without the consent of the Insurer, there can be no abandonment to it of insured property.

9.3.11 In case of disagreement.

- (a) In the event of disagreement as to the value of the insured property, the value of the property saved, the nature and extent of the repairs or replacements required, or, if made, their adequacy, or the amount of the loss or damage, those questions must be determined using the applicable dispute resolution process set out in *The Insurance Act*, whether or not the insured's right to recover under the contract is disputed, and independently of all other questions.
- (b) There is no right to a dispute resolution process under this condition until:
- (1) a specific demand is made in writing; and
 - (2) the proof of loss has been delivered to the Insurer.

9.3.12 When loss is payable.

Unless the contract provides for a shorter period, the loss is payable within sixty (60) days after the proof of loss is completed in accordance with Statutory Condition 9.3.6 and delivered to the Insurer.

9.3.13 Repair or replacement.

- (a) Unless a dispute resolution process has been initiated, the Insurer, instead of making payment, may repair, rebuild or replace the insured property lost or damaged, on giving written notice of its intention to do so within thirty (30) days after receiving the proof of loss.
- (b) If the Insurer gives notice under subparagraph (a) of this condition, the Insurer must begin to repair, rebuild, or replace the property within forty-five (45) days after receiving the proof of loss, and must proceed with all due diligence to complete the work within a reasonable time.

9.3.14 Notice.

- (a) Written notice to the Insurer may be delivered at, or sent by registered mail to, the chief agency or head office of the Insurer in the province.
- (b) Written notice to the Insured may be personally delivered at, or sent by registered mail to, the Insured's last known address as provided to the Insurer by the Insured.

9.4 Standard Mortgage Clause

(Approved by the Insurance Bureau of Canada.)

It is hereby provided and agreed that:

9.4.1 Breach of conditions by mortgagor, owner or occupant.

This insurance and every documented renewal thereof – AS TO THE INTEREST OF THE MORTGAGEE ONLY THEREIN – is and shall be in force notwithstanding any act, neglect, omission or misrepresentation attributable to the mortgagor, owner or occupant of the property insured, including transfer of interest, any vacancy or non-occupancy or the occupancy of the property for purposes more hazardous than specified in the description of the risk.

PROVIDED ALWAYS that the mortgagee shall notify forthwith the Insurer (if known) of any vacancy or non-occupancy extending beyond 30 consecutive days, or of any transfer of interest or increased hazard THAT SHALL COME TO HIS KNOWLEDGE; and that every increase of hazard (not permitted by this policy) shall be paid for by the mortgagee – on reasonable demand – from the date such hazard existed, according to the established scale of rates for the acceptance of such increased hazard, during the continuance of this insurance.

9.4.2 Right of subrogation.

Whenever the Insurer pays the mortgagee any loss award under this Policy and claims that – as to the mortgagor or owner – no liability therefore existed, it shall be legally subrogated to all rights of the mortgagee against the Insured; but any subrogation shall be limited to the amount of such loss payment and shall be subordinate and subject to the basic right of the mortgagee to recover the full amount of its mortgage equity in priority to the Insurer; or the Insurer may at its option pay the mortgagee all amounts due or to become due under the mortgage or on the security thereof, and shall thereupon receive a full assignment and transfer of the mortgage together with all securities held as collateral to the mortgage debt.

9.4.3 Other insurance.

If there be other valid and collectible insurance upon the property with loss payable to the mortgagee – at law or in equity – then any amount payable thereunder shall be taken into account in determining the amount payable to the mortgagee.

9.4.4 Who may give proof of loss.

In the absence of the Insured, or the inability, refusal or neglect of the Insured to give notice of loss or deliver the required proof of loss under the policy, then the mortgagee may give notice upon becoming aware of the loss and deliver as soon as practicable the proof of loss.

9.4.5 Termination.

The term of this mortgage clause coincides with the term of the policy; PROVIDED ALWAYS that the Insurer reserves the right to cancel the policy as provided by Statutory provision but agrees that the Insurer will neither terminate nor alter the policy to the prejudice of the mortgagee without the notice stipulated in such Statutory provision.

9.4.6 Foreclosure.

Should title or ownership to said property become vested in the mortgagee and/or assigns as owner or purchaser under foreclosure or otherwise, this insurance shall continue until expiry or cancellation for the benefit of the said mortgagee and/or assigns.

SUBJECT TO THE TERMS OF THIS MORTGAGE CLAUSE (and these shall supersede any policy provisions in conflict therewith BUT ONLY AS TO THE INTEREST OF THE MORTGAGEE), loss under this policy is made payable to the mortgagee.

7.6 Withdrawal of coverage.

If an Insured Person settles or negotiates a claim without Our consent, not to be unreasonably withheld, or does not give to the Appointed Representative any instructions that We reasonably require, We can withdraw coverage and will be entitled to reclaim from the Insured Person any Legal Costs We have paid.

7.7 Sanction limitation.

The Insurer shall not be deemed to provide coverage and the Insurer shall not be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose the Insurer to any sanction, prohibition or restriction under trade or economic sanctions, laws, or regulations of Canada, the United Nations, or the European Union.

The Insured Person must instruct the Appointed Representative to have Legal Costs taxed, assessed or audited if We ask for this.

If the Appointed Representative refuses to continue acting for the Insured Person with good reason, or if the Insured Person dismisses the Appointed Representative without our prior consent, the coverage the Insurer provides will end immediately.
